

Participation in the competition

Search for a competition

To submit a bid, a potential private partner needs to search for the required competition. To do this, on the main page of your work profile, go to the «Work account» menu and select the «Search for competitions» section. Bid submission is available for the user with the «Potential Private Partner» role.

The Competitions page will appear on the screen. To search for a specific competition, click the «Show search» button to display the search filters. Enter one or more search criteria and click the «To find» button. To modify the search criteria, click the «Reset search parameters» button.

Discussion of explanations of tender documentation

A potential private partner has the right to send a request for clarification of the provisions of the tender documentation or comments on the draft tender documentation from the date of publication of the tender, while the status of the tender must be «Published» and the deadline for the end of discussion of the explanation of the tender documentation has not yet come.

To send a request, the user with the «Potential Private Partner» role must go to the «Discussion of explanations of tender documentation» tab on the competition viewing form.

Creating and submitting a qualifying bid and a competitive bid in a two-stage competition

Creating and submitting a bid for qualification selection at the first stage

To submit a bid for qualification selection on the competition viewing form, select «Create a request for qualifying selection» in the available actions.

Note. This action is available as soon as the start date for accepting bids begins, and the competition status should be «Published (Bid Submission) ».

The screenshot shows a web interface for viewing a competition. At the top, there's a tab labeled "Available actions" with a sub-tab "Create a request for qualifying selection" highlighted by a red box. Below this, the competition details are displayed in a form:

Competition number	401028-1	Start dates for accepting documents for qualification selection
Name of the competition	Test two-stage	Deadline for accepting documents for qualification selection
Competition status	Published (Bid Submission)	Remaining time
Competition publication date	2026-07-21 09:32:44	

At the bottom, there's a blue button labeled "Number of submitted bids: 0".

The bid creation form is displayed. Enter the legal address, IBAN, and contact phone number.

The screenshot shows the "Competition Bid Creation" form. It contains several input fields for the potential private partner's details:

- Potential Private Partner Name: Test PPP Partner
- Legal address: [Empty field]
- IIK: [Empty field]
- Bank name: [Empty field]
- SWIFT: [Empty field]
- Beneficiary's Code: [Empty field]
- IIN/BIN of a potential private partner: 111111111111
- Representative of a potential private partner: 2222 22222 222222
- Contact phone number: [Empty field]
- Post: Администратор

At the bottom, there is a blue "Next" button. Red arrows point to the "Legal address", "IIK", and "Contact phone number" fields.

To proceed to the next step, click on the «Next» button. A form for adding lots to participate in the competition is displayed.

Adding lots to participate in the competition

On the «Add Lots for Participation in the Competition» form, the Potential Private Partner must select the required lot(s) and click the «Add Selected items» button.

The screenshot shows the "Adding lots to participate in the competition" form. It features a table with columns for various lot details. The first row is highlighted with a red box and a red arrow pointing to the "Add selected items" button below it.

#	Lot number	Project name in Kazakh	Project name in Russian	Project name in English	Brief description of the project	Project goals and objectives	Scope (branch) of project implementation	Place of implementation	Project (budget) level	Item type	Object capacity	Investment Period	Operational period	Investment Costs (KZT)	Operating Costs (KZT)	Contact details	State partner	Representative of the state partner
1	4494273-OK1	Test	Test	Test	Test	Test	Test	Test	Test	Test	Test							

Below the table, there is a blue "Add selected items" button and a "Back" button at the bottom left.

The system will switch to the «View selected items» tab.

If you need to delete the selected lot, mark the required lot with a tick and click on the «Remove lots from the bid» button. If you need to additionally add lots to the bid project, go to the «Lots» tab and select lots.

To upload a file, click the active document name hyperlink in the document list. In the file upload window, click the «Upload File» button. A file browser will open, allowing you to select the required file. After selecting the file, click «Open», sign it using an Electronic Digital Signature (EDS) signing certificate (RSA/GOST), and then click the «Save» button. To return to the document list, click the «Back to Document List» button.

Additional files are added using the «Add File» button.

Submission of a qualifying bid

A preview of the bid will be displayed before submitting the bid. After checking the data, click on the «Submit a request» button.

The screenshot shows a 'Preview of bid no. 1600415' form. It contains several input fields for bid details: 'Bid number' (1600415), 'Potential Private Partner Name' (Test PPP Partner), 'Bid Status' (Draft), and 'IIN/IBIN of a potential private partner' (111111111111). Below these are tabs for 'Information about a potential private partner', 'Lots to participate in the competition', 'Qualification selection documentation', and 'Technical specification'. The 'Information about a potential private partner' tab is active, showing a table with fields for 'Legal address', 'Bank name', 'Payment account', 'Representative of a potential private partner', 'Contact phone number', and 'Post'. The 'Submit a request' button is highlighted with a red box.

After clicking on the «Apply» button, the System will display a confirmation form with the text «Do you really want to apply? »

Confirmation

Do you really want to apply?

Submission of a supplement to the bid for qualification selection

If the potential private partner (hereinafter referred to as the PPP) was rejected with the right to supplement/clarify the bid for qualification selection, the PPP bid is assigned the status «Rejected».

Note. The competition status must be «Completion of bids/documents».

To search for a bid, navigate to «Work account» → «My Bids» and use the search filters to locate the required bid. In the «Action» column, the bid supplement icon  will become available for the rejected bid once the resubmission period begins.

After clicking on the icon, the System displays a confirmation dialog with the message: «Are you sure you want to supplement the bid? »

Confirmation
